COACH'S COMMENT ON BOWLER

Quinn is a sophomore and 2nd year member on JV team. She has the potential to bowl varsity regularly. I would be hard pressed to find another bowler with more determination to improve! She makes every practice count and finds opportunities to get in additional practice. Coming into this season she knew what to expect and understands the opportunities bowling provides. Quinn has learned the difference between trying too hard and focusing on a goal. She had the chance to put her new mindset to work this week with success. As coaches, it feels amazing when you watch your bowler have their "Aha" moment.

Please Return by Saturday Morning at 9 a.m.

COACH'S COMMENT ON BOWLER

Braxton is our ambitious freshman with a ton
of potential. His good nature made him a quick
fit on our team. He brings a unique energy that
keeps us all on our toes. Braxton spends many
hours at the lanes outside of scheduled practices.
This allows him to understand many facets of the
game. I am proud of Braxton for taking advantage
of the learning experience of tournament lane
patterns and understanding the purpose of
repeating consistent shots.
