In 10 years I want to be an ultrasound technician, helping people figure out their medical issues.  
I want to make people smile and laugh, even when times are hard, even when they are nervous for

## WHY BOWLER IS BOWLER OF THE WEEK (SEASON TO DATE, PAST ACCOMPLISHMENTS, HONORS, ETC)

Kaylee rolled games of 235 and 214, for a 449 series in Lake's match vs Minerva on 11/28/23.

This is significantly higher (+ 125 pins) than Kaylee's final average of 161.9 from the 2022-23 season,  
Her 235 game is also her career high game.

## COACH'S COMMENT ON BOWLER

Kaylee brings a great attitude to the Lake Girls Bowling team. She always has a smile and never lets the challenges of a rough game weigh on her. She comes to practice each day with an open mind, willing to incorporate coaching recommendations into her practice routines. She had dedicated significant time during practice working on spare shooting, and especially the 'pesky corner pins' Kaylee's improved average and scores are a testament to her hard work and great attitude she brings when she shows up to bowl.
