### Roger Webb Bio

Also being inducted is Webb, who began his coaching career during the 2004-05 season, going 9-4 that first year and winning SCHSBC coach of the year honors. An honor that Roger would go on to win seven times during his career. He also won in '06-'07, '09-'10, '10-'11, '11-'12, '12-'13 and '14-'15. He led the Panthers to four Federal League boys championships, in '09-'10, '10-'11, '11-'12 and '13-'14. He also finished second during the '14-'15 and '15-'16 seasons. His total team awards include three sectional titles, two district titles, five state appearances, five conference titles, four Federal division titles, seven coach of the year honors and four Federal League championships. His teams finished fifth in the state in 2004-05, fourth in 2005-06, eighth in 2006-07, 10th in 2007-08 and seventh in 2010-11. He also coached five athletes who rolled 300 games and a team Baker System 300 during the 2013-14 season. He had three SCHSBC players of the year, and coached four Federal League bowlers of the year. At the time of his retirement, Roger had 150 wins and 48 losses — the highest total wins in conference history for a boys coach.

### Jim Heighway Bio

A fixture in high school bowling since the first frame in 2001, Jim has been with the conference as either a coach, administrator or sponsor during the SCHSBC's 23 years. He was involved in the creation and founding of the conference in 2001, when he was able to convince North Canton Athletic Director Joe Eaton to take a chance on our sport. After several years of nos and "that will never take off," he talked Eaton into trying the sport and, as they say, the rest is history. Jim was the founding coach of the Hoover High School bowling program, starting the team from scratch and raising money to fund the program for the first seven years. He wanted to see kids bowl and have success at the same time. He served as both boys and girls coach his entire career, begging girls to come out and join the team for its first three years. After the inaugural season for the boys in 2001, compiling a 4-5 record, he never had a season under .500 again. His boys teams were two-time conference champions in 2005-06 and 2008-09. He coached 26 first-team all-conference award winners and 21 second-team honoree, with three bowlers of the year. He also coached three individual state qualifiers.
